## Centre for Turkey and European Union Studies

**CETEUS** (Centre for Turkey and European Union Studies) is a 2016-founded centre and Jean Monnet Chair for Turkey and European Union Studies (MONTEUS) at University of Cologne. It is directed by Prof Wolfgang Wessels (director) and Funda Tekin (vice director). With its focus on research and teaching on EU and Turkey related affairs and institutional evolution of the EU, it continues the work of the Jean Monnet Chair for European Politics of Prof Wolfgang Wessels.

**CETEUS activities** at the University of Cologne benefit from a strong and broad EU-Turkey network and long-standing tradition in teaching EU studies. The centre offers seminars, conferences and public discussions on EU-Turkey relations at the University of Cologne and beyond. CETEUS has a strong link to the Turkish-German University (TAU) in Istanbul.

**CETEUS research activities** target EU-Turkey relations and links to contemporary Turkey studies. They are embedded in an EU-wide network and founded on close relations to leading universities in Turkey. Within its research projects the centre engages in promoting academic exchange with young researchers from Germany, the EU and Turkey aiming at integrating them into the European Research Area.
