

In the framework of the EP4U project TEPSA is organising, in cooperation with the local TEPSA member institutes, **four High School Talks** in selected EU countries. Students will get acquainted with the work of the EU and the EP and act as knowledge-multipliers within their families and friends' circle.

In particular, the High School Talks will stimulate an exchange of views among young Europeans in four policy areas: Climate Change & the Environment, Migration & Asylum, Employment & Social Policy, and Non-Discrimination and Fundamental Rights.

The EP4U High School Talks gather stakeholders from the following EU countries:

- **Finland** (in cooperation with the Finnish Institute of International Affairs), at an event taking place on 19 January 2022;
- **Bulgaria** (in cooperation with the New Bulgarian University), at an event taking place on 10 March 2022.
- **Slovakia** (in cooperation with the Institute of European Studies and International Relations at Comenius University in Bratislava), at an event taking place on 10 March 2022.
- **France** (in cooperation with the Centre for European Studies and Comparative Politics at Sciences Po Paris), at an event taking place on 18 March 2022.
