

#EngagEU

Co-funded by the  
Europe for Citizens Programme  
of the European Union

It's time for young ideas and youngsters commitment to Europe! That is why in the last months, as part of our #EngagEU project, we have empowered young EU citizens to develop ideas for Europe. Together we have written a manifesto with an special focus on environment, foreign and migration policy as well as European identity.

At the same time, in the EU Campaign Hub, we want to network with other civil society campaigns in order to send a strong message to Europe before the European elections. We are pleased to announce that Federal President Frank-Walter Steinmeier has expressed his intention to tour the EU Campaign Hub in order to personally get an idea of the civil society initiatives.
