

## Seven PONT fellows participated in TEPSA's Pre-Presidency Conference in Vienna, Austria

In the framework of the PONT project, seven PONT fellows had the chance to participate in the Austrian Pre-Presidency Conference that took place in Vienna on 7-8 June 2018.

Each year, TEPSA gives the opportunity to outstanding young researchers who took part in the [PONT \(Professional Training on EU Affairs\) project](#) to play an active role in the TEPSA Pre-Presidency Conference. The participation of the PONT fellows aims to deepen and widen the perspectives and the learning effect of the young researchers involved in the Working Europe Seminars and the Career Skills Training – the two main activities of PONT.

Following a call for participation, some PONT Fellows were invited to be give a presentation or to be rapporteurs of the conference sessions.
