The 1<sup>st</sup> VIADUCT Week will take place in Brussels between 23 and 27 April 2018, coordinated by TEPASA and CETEUS. VIADUCT Weeks, taking place every year, represent the moment where VIADUCT partners come together to take stock of developments in researching and teaching EU-Turkey relations. The 1<sup>st</sup> VIADUCT Week clusters the network's main face-to-face activities in 2018, namely:

- The 1<sup>st</sup> VIADUCT Seminar on EU-Turkey relations (23-25 April), aimed at providing MA students with the opportunity to gain practical insights from academics and practitioners;
- The VIADUCT Kick-off Conference (26-27 April), bringing together the network partners with practitioners, policy makers and other stakeholders;
- The 1<sup>st</sup> VIADUCT Informal Policy Debate (26 April), where our researchers will have the chance to discuss topical developments in EU-Turkey relations with high-level EU officials.
