

VIADUCT

Enhancing Visibility of the Academic
Dialogue on EU-Turkey Cooperation

VIADUCT Policy Papers: Deadline 31 May 2018

The VIADUCT network organises a policy paper series with a focus on EU-Turkey relations offering young researchers to publish outstanding research via VIADUCT's dissemination platforms. The policy papers shall communicate and diffuse research to a non-academic audience, particularly practitioners and policy makers.

VIADUCT therefore calls for the submission of manuscripts, related to the following cross-sectorial issues:

- migration and identity
- security and politics
- energy and economics
- the 'EU's Future'

Who can submit?

While the call is open to all researchers, especially junior academics are encouraged to submit their work.

Application and Selection Procedure:

Manuscripts with a word limit of **around 2.500 words** in English language should be submitted to Christine Neuhold (c.neuhold@maastrichtuniversity.nl) **by May 31, 2018**.

The selection committee will operate a system of double-blind peer reviews in order to ensure high standards. The selection of the papers will be based solely on the quality of the submitted papers and the best papers will be published on the VIADUCT Website www.viaduct.uni-koeln.de within the section VIADUCT Policy Paper Series.

For further questions, please contact Prof Christine Neuhold (c.neuhold@maastrichtuniversity.nl).
